Message from the Principal

John David Brockhoff was a great student, Old Boy and supporter of The Scots College. While we were sad to learn of his passing, we were also glad that he spent his last weekend at the College as part of the Back to Scots weekend and saw our impressive 1st XV achieve a strong win against The Kings’ School. He gave me a wink and a handshake at the end of the game and commented that it was the best display of teamwork, skill and spirit he had ever witnessed from a Scots team. Last Saturday, the First XV taped a teenage photo of “Brock” on their wrists so that he could be with them in spirit and have his final run against Joeys...and what a run it was. It was our first win on the Joeys’ home ground in 31 years and our largest margin – 1st 44-26. What was more impressive was the victory by the 4ths 19-14, 3rds 24-12 and 2nds 45-27 and the great win by the Association Football 1st 11, 3-2. The work that has been put into building our sporting program is bearing fruit and the spirit in which our boys are approaching their games is very impressive. Well done boys!

I would also encourage families to go and see Mary Poppins over the holidays. It was fantastic watching our own Lachlan Jones in a lead role. His acting, singing and dancing were superb and the set and casting is truly spectacular.

Last week we enjoyed the launch of the Gift of Education fund for Oasis, Youth Homelessness. This is a wonderful initiative that came from the boys and is designed to grow over time to provide financial support for a young person recommended by the Oasis team who is seeking to turn their life around and begin and academic program or retrain through university, TAFE or private providers. Information about support can be obtained through the College. I would like to publicly thank Mrs Pam Bartlett for her coordination and support of this event.

Finally, I would like to encourage families and friends to consider supporting the 2011 Annual Appeal. The Scots College is an incredible learning environment with so many key activities and educational priorities. We have identified key programs across the T-12 campuses that we hope to fund for our boys through this Appeal. Every dollar gifted is targeted at the identified programs and those programs have been carefully selected to reflect our present needs. Thank you in advance for your generosity that will allow us to continue to provide world-class programs for our fine young men.

I trust families will enjoy a safe and enjoyable family break and that we can begin the new Term with increased energy and excitement.

Scots to the Fore!

Message from the Head of Preparatory School

Mrs Judith Taylor

This week sees the retirement of Mrs Judith Taylor, our beloved Library Technician. Mrs Taylor has worked in the College for 17 years, the majority being spent in the Ginahgulla Library. She is one of those staff members whose love, kindness, care and genuine concern for the welfare of others has truly penetrated the lives of boys and staff of the Preparatory...
School. Whether it is in guiding the boys’ love of reading, assisting staff with resources or bringing in her pet frogs for the boys to appreciate, Mrs Taylor’s love for the College and all the boys and staff will always be remembered with genuine affection. We thank Mrs Taylor for her service to the College and sincerely wish her all the very best in her retirement.

Assistant Head – Years 2 to 4

I am pleased to announce that Mr Duncan Kendall has been appointed Assistant Head of the Preparatory School, Years 2 to 4. Mr Kendall replaces Mrs Nadezna Wilkins. Mrs Wilkins is completing her PHD as a fulltime student and will be leaving the College in Week 5 of Term 3.

Mr Kendall has a Diploma in Financial Markets, Bachelor of Education (Primary) and a Masters of Education (Educational Leadership/Information Technology). Mr Kendall is currently teaching Year 6 and is Stage 3 Coordinator. At Scots, he has also held the positions of 1st XV coach and Master-in-Charge of Athletics. He has been credited by the International Baccalaureate as a classroom teacher for the Primary Years Program (PYP). Mr Kendall has been Master–in-Charge of Junior Rugby at Trinity and has represented as a member of The Charles Sturt University 1st XV, Eastern Suburbs Rugby Union Club, and Lancashire Under 19 Squad in England and is Assistant Coach of the NSW Under 16 Rugby Union side. Mr Kendall has also been a member of the New South Wales Amateur Boxing Association and has competed in triathlons. He has also held the position of Assistant Boarding Housemaster at Rossall Preparatory School in Lancashire, England. Before embarking on a teaching career, Mr Kendall completed a Diploma in Financial Markets and has worked in business and banking.

We congratulate Mr Kendall on this promotion and look forward to the positive contribution he will bring to this role.

Today we farewell and thank Miss Eliza Joannides for her work with 3MC over the past five weeks. Miss Joannides has had a most positive influence upon the boys in her charge and we wish her all the very best in the future. We also thank Mrs Cheryl McGregor who has been a teacher’s assistant in the ELC during the last two terms. The boys and staff have been much appreciative of Mrs McGregor’s assistance over the last two terms. Thank you!

The following staffing arrangements can be confirmed for Term 3:

Mrs Elizabeth Climie commences in the Preparatory School replacing Judith Taylor as Library Technician. Mrs Climie is currently a Library Technician at Kincoppal - Rose Bay School. Prior to that, she was the Library Teacher at Rose Bay Public School. Mrs Climie has a Certificate in Reading Recovery, Graduate Diploma in Education (Primary), Graduate Diploma in Information Management/Librarianship and a Bachelor of Arts (English Literature). We welcome Mrs Climie to the Preparatory School.

Ms Stephanie Stelter returns from Maternity Leave to take up the ELC teacher’s assistant role again.

Mrs Roxanne Kent returns from Maternity Leave to teach 3MC which will become 3RK from Term 3 onwards

Miss Amy Morton will continue on as Year One teacher for 2011.

Mr David Brockhoff

As most of the Scots community are aware, Mr David Brockhoff, Wallaby player, coach and Old Boy of the College passed away last week. At the recent opening of the refurbished 2 to 4 campus, Mr Brockhoff was present as we unveiled the commemorative portraits that were dedicated to famous Old Boys of the Preparatory School. Mr Brockhoff was one of these. During his time in the Preparatory School, Mr Brockhoff was in the Prep 1st XV and 1st XI in both 1940 and 1941, captaining both sides in 1941. He later went on to receive the Honour Cap in Senior School and played and coached the
Wallabies. He was one of the real characters of Australian Rugby. Our prayers and thoughts are with the Brockhoff family at this sad time.

CIS Cross Country
Congratulations to all boys who competed for Scots in the CIS Cross Country last week. There were some very impressive results with several boys moving onto PSSA representation. Special congratulations to Jack Freer (1st), Max Freer (5th), Nelson Bours (7th) and Thomas Fenton-Lee (9th) who all made the top ten in their age groups.

Year 6 Musical – The Lion King
On Wednesday the Year 6 Musical, The Lion King, was performed in the College Auditorium. For more about the evening refer to the article in the newsletter.

Old Boys of the Preparatory School
As displayed in the newly named, Deane Hall, we continue to look at the lives and impact of some significant Old Boys of the Preparatory School. This week we continue as we look at Ian Kiernan.

Ian Kiernan AO
Ian Kiernan grew up in Watson’s Bay and spent five years at the Preparatory School. His love of sailing led him to compete in some of the most famous races in the world including the Admiral’s Cup, Southern Cross Cup and the Trans Pacific Yacht Race. In 1986-1987 he represented Australia in the BOC Challenge Solo Around The World Yacht Race, finishing sixth and setting an Australian record for solo circumnavigation. While competing in this race, Ian was confronted by the level of pollution in the world’s oceans. In response, in 1989, he led the first ‘Clean Up Sydney Harbour Day’ – an event that proved to be so successful that ‘Clean Up Australia’ followed, and the program then spread around the world.

In recognition of his leadership in environmental matters, Ian has received many honours including an Order of Australia Medal (OAM), and both an Officer of the Order of Australia and a Centenary Medal. International recognition has included the award of the prestigious United Nations Environment Programme, Sasakawa Environment Prize. Ian was named Australian of the Year in 1994.

As an avid sailor and ambassador for the Great Barrier Reef, Ian maintains his love for the sea. He is also patron of a number of sailing groups including ASPECT Sailors with Disabilities and The Scots College Sailing Program, and is Patron of the Australian Association of Greater Public Schools.

Charity Concert
Last night our Prep Choir, Concert Band and Orchestra performed in the annual College Charity Concert. This was an impressive evening as Preparatory boys, young and old, performed in different ensembles. This was also a fitting tribute as we farewelled Mr Bill Clark, Director of Music, who retires from the College at the end of this term. Mr Clark is a highly respected Director of Music whose enthusiasm and vision has made The Scots College Music Program the success it is today. We thank Mr Clark for his visionary leadership and wish him all the very best in his retirement.
Well done boys, and thank you to Miss Lowe, Mr Small, Mrs Helmers and Mr Molloy for their support of the boys’ performance.

Semester 1 Reports
There are four formal opportunities for reporting boy’s progress in the Preparatory School. These include:

Term 1: Parent/teacher interviews
Term 2: School reports
Term 3: Parent/teacher/son interviews
Term 4: School reports

Transition reports will be distributed before the conclusion of the Term. Kindergarten to Year 6 school reports will be available during the coming break by email notification and through each parent’s Scots account password. Thank you to all staff who have been busy preparing the reports which provide a breakdown of each boy’s progress during the first two Terms of the year.

The Scots College Preparatory School Chess Competition
Tomorrow, Friday 24 June, our annual Scots College Chess Challenge will be held. Invited schools from all over Sydney will be competing in this popular event and we wish all competitors the very best. Thank you to Mrs Lind and Mr Feldman for their organisation of the competition. Special thanks to Tyr Sports who have sponsored the competition for several years.

Hair Cuts
Parents are reminded that on return from holidays, boys are not to have hair that is over their collar, shorter than a number four, spiked or tinted. The standard cut is commonly known as a schoolboy cut and should be cut in such a way as to not attract attention. Thank you for your support in this matter.

Term 2 concludes today 23 June and Term 3 commences on Tuesday 19 July.

I wish all staff and families of the Preparatory School a restful and safe holiday.

Mr John Crerar
Head of Preparatory School

Message from the Director of ELC

LJ Hooker National Draw My House Competition
The National Draw My House competition is primarily targeted at children between 3 and 13 years of age. To enter children must complete a drawing of their own home and return it to their local LJ Hooker office. Drawings can be as creative as possible and can be done in black and white or colour, in paint or crayon or even in pencil. Submissions must be created on the entry form. Good luck! For further information, to view entries or to download entry forms visit: drawmyhouse.com.au

Winter Holidays
Boys have a 3 week break with Term 2 finishing at 3:05pm on Thursday 23 June. Boys return on Tuesday 19 July.

SEA
There are no SEA activities on the last day of term Thursday 23 June. Term 3 SEA will start on the first day of term, Tuesday 19 July.

Year 6 Musical – *The Lion King*

On Wednesday the Year 6 Musical, *The Lion King*, was performed in the College Auditorium. Involving all five Year 6 classes, this was a superb performance depicting high action, drama, well-known melodies and a good dose of humour. Congratulations to our Year 6 boys on a wonderful performance and thank you to all parents and friends for their hearty support and encouragement of the boys on the night. *The Lion King* performance is the result of the dedication and hard work of our boys and especially Miss Lowe, Music Coordinator, and Mrs Trudi O’Connell, Dance and Drama teacher. We thank Miss Lowe and Ms O’Connell for their superb work with the boys and acknowledge the support of the Year 6 and other support staff. A vote of thanks, also, to all parents who have assisted in helping with make-up or supporting the PAA in their assistance with the Musical. Thank you one and all.

From Indigenous Education

The Scots College Indigenous Education Fundraising Dinner is now only four months away. The date has been set for *Saturday 29 October*. Please save this date in your diaries.

The Fundraising Dinner is shaping up to be a very exciting and memorable social event. We have signed a top-billing pop star to perform exclusively for us, but all will be revealed in the next issue of *The Lion & Lang Syne*. There will be limited numbers, so when the opportunity arises to book, please do so quickly.

As the Indigenous Education Program at Scots has grown, so too has its support. We now have a team of ambassadors to help spread the word of the Program. We have two ambassadors per year group from Cubs to Year 12. They are: Natasha Statthis, Nicole Torrence, Sasha Dale, Genevieve Scarf, Claire Dekaney, Sarah Summerfield, Narelle Wenzal, Monica Lhara, Lisa Burges-Hoar, Victoria Rees, Shay Lewis-Thorp, Angelique Andrews, Dana O’Neill, Alex Hodgson, Jen Freer, Janine Zylstra, Susie Kelly, Kyril Agnew, Annabelle Pegler, Anna Cobcroft, Lisa Zylstra, Liz Jeavons-Fellows, Alison Licence, Sofia Yassmin, Elisabeth Strang and Kate Murray. We still need two ambassadors for Year 11, so if you would like to be an ambassador, please let me know.

For more information about the Fundraising Dinner, or if you have an item you would like to donate for the auction, please see one of the ambassadors, or contact me on j.samengo@tsc.nsw.edu.au.

Oasis Film Night

On Wednesday 15 June over 200 members of the Scots community attended the Oasis Film Night. Scots parents, staff and students were joined by Major Paul Moulds and Captain Robbin Moulds from The Salvation Army and Ian Darling, documentary filmmaker and Chair of The Caledonia Foundation, for the evening.

The night also marked the official launch of The Scots College Gift of Education Fund in support of the Oasis Youth Support Network. The College has been working with Oasis for the past three years and partnered with Major Paul Moulds to better understand the issues and raise awareness of youth homelessness. The Scots College Gift of Education Fund recognises the importance of education and hope to tackle the issue of homelessness through providing these young people opportunities for learning.

After the opening address from Dr Lambert the award-winning documentary ‘The Oasis’ was screened. Following the film, Sally Loane, Paul Moulds and Ian Darling discussed the issues and shared their hopes and dreams for tackling youth homelessness. Ian Darling emphasised the importance of early intervention. “Paul and Robbin work wonders at Oasis. Imagine what could be accomplished with support and intervention at younger ages before the serious damage is done,” said Ian.

The evening concluded with the screening of ‘Turn Away’ – a short film about homelessness made by Scots boy Hugh Joyner (Year 12).

Thank you to the Scots community who supported this event and also the sponsors for the evening, Lisha’s Catering and Two Rivers Wine.

Robotics

This semester boys from Years 5 and 6 participated in Robotics as one of the after school activities offered in the Preparatory School. The boys learnt some basic programming, using Robolab 2.9. They also completed set building instructions for an NXT Robot. This Term the boys experimented with and developed their own ‘battle bots’ as an expression of their creative ideas. Our final lesson included a challenge of robots for speed and stability. Next semester Years 3 and 4 boys have the opportunity to join Robotics alongside the Years 5 and 6 boys who are entering the Robocup Challenge on 25 to 26 August at the University of New South Wales, Scentia Building.

Our Star of the Week in Intrepica was Emanuel Issa from 4IM.

Lion’s Pride Reading Challenge

Congratulations to Alexander Park (2HS) and D’Arcy Todd (3AH) on completing the Lion’s Pride Reading Challenge and handing their reading logs in this week. These boys now go into the Reading Challenge World Cup Squad. Once the boys complete a reading log, they may choose to a second one in an effort to make the World Cup starting team.
The school holidays are a good time for the boys to do some holiday reading. I look forward to receiving more Lion’s Pride Reading Challenge reading logs at the beginning of Term 3.

**Book Week**

Please be aware that Book Week takes place during Term 3. Book Week runs from Monday 22 August to Friday 26 August. Some exciting presenters and authors are scheduled to visit during Book Week. We will also hold a Book Fair where the boys will be able to buy books for themselves and may also buy books to donate to the library.

Events such as Book Week and the Book Fair are intended to encourage a love of reading within the College community. We hope that you will enjoy this upcoming event.

**Cyber Safety @ Scots – How Cyber Smart are you?**
A short video “How Cybersmart are you?” has been released by Cybersmart. The video is designed to help parents navigate through the online world of their teenagers and provides strategies on how to protect children from potential online risks. Parents and students can find the video at [http://www.cybersmart.gov.au/outdoor.aspx](http://www.cybersmart.gov.au/outdoor.aspx) (bottom of the web page).

**Netbox Blue – Total Offsite Web Filtering for Student Laptops**
Parents of students with College laptops, please note that student access to the internet can now be managed by day and time, so internet access can be switched off in the evening or weekend and access to social media sites like Facebook, MySpace and others can be limited to certain days and times. Parents can now choose between the four options and email the request to cybersafety@tsc.nsw.edu.au.

The options are:

a. Students offsite: Allow open web access - seven days - default group for students offsite
b. Students offsite: Allow social media (Facebook, MySpace etc) and chat/IM - access from 3:30pm to 8:00pm only, seven days

c. Students offsite: Restricted access - weekdays (Monday to Friday)
d. Students offsite: Restricted access - weekends (Saturday and Sunday)

**Class Lists**
To obtain your son’s class list, email classlists@tsc.nsw.edu.au and state your son’s name and class or year group.
