The Scots College Rugby Support Group (TSC RSG) is a volunteer group that exists to support the boys and coaches involved in Rugby across the whole College, from Year 1 to Year 12. We are a group of parents, former players, and other supporters of Rugby at Scots College. In 2011, TSC RSG committed to raise $100,000 to support the College Rugby Program.

The Oasis Youth Support Network is The Salvation Army’s response to youth homelessness in Australia. Oasis gives disadvantaged young people the hope, help and opportunities to access relevant education, training, employment, counselling and drug/alcohol programs. On any given night, Oasis helps accommodate and feed more than 100 homeless young people. Oasis also supports youth education and work and life skills to help rebuild their lives and develop self-esteem, confidence, and social skills.

Oasis offers more than 25 cutting-edge programs, including:
- Nokia StreetConnect technology outreach
- Case management and counselling services
- Access to education, training, employment, and health and fitness services
- Outdoor adventure therapy
- Young parents support group
- Driver training program
- Oasis Education

Oasis Pathways and Get Skilled for Work programs help students gain valuable work experience. The Oasis Education program is a critical component of the Salvation Army’s approach to youth homelessness in Australia, providing a pathway to employment and future success.

Other programs have included opportunities to play rugby kits at Glengarry, the provision of computer & video equipment, and the significant contribution to the Dr John Solomon Gymnasium. We also aim to enhance the parents’ enjoyment of rugby at the College through social interactions with other rugby parents.

The TSC RSG have committed to raise $100,000 to support the College Rugby Program. The funds will support the provision of external coaches, specialist coaches, vital training equipment, support for tours, and other activities at the request of the Director of Rugby. The proceeds from the Great Debate luncheon will go towards this goal.
